Celebrating America's Health Centers: Transforming Health Care in Our Local Communities
August 12th-18th, 2018

San Benito Health Foundation

Community Health Center

OPEN HOUSE
August 16th, 2018 3 pm to 7 pm

Mark your calendar for our open house!

August 12-18th is National Health Center Week!

Across the nation, local communities will recognize the contributions of Community, Migrant, Homeless and Public Housing Health Centers in promoting health and prevention.

On August 16th, 2018, San Benito Health Foundation is hosting a community open house where people can learn more about the services and programs available here in San Benito County.

Our goal is to ensure that our community has access to affordable health care. Far too often, people delay in receiving the medical, pediatric, and dental health care they need due to lack of insurance, or inability to afford the high costs of prescriptions and medical bills.

Our doors are open to all; regardless of ability to pay.

Stop by our community open house as we celebrate National Health Center Week and let us show you how we serve the citizens of San Benito County. Maybe you or someone you know would like to take their first step to better health and we can help!

Our Health Center Offers: Medical and Dental Primary Care Services, Internal Medicine, Obstetrics and Gynecology, Family Planning, Pediatrics, Immunizations, Health Screening, Medication Assistance, Health Education and Outreach, WIC Program, Nutrition/Breastfeeding Counseling, Nutrition Education, HIV/AIDS Testing and Counseling, Behavioral Health Services, and a Medi-Cal Out-stationed Eligibility Worker.

For more information regarding the event , please call 831-637-5306
